

Dear Authors,

in the interest of smooth processing please observe the following guidelines when writing your abstract for publication in "Monatsschrift Kinderheilkunde":

- **General**

Please submit your abstract as ASCII-compatible (preferably Word for Office 97) text and text file (on disc or as Email attachment, please consult the responsible co-ordinator). **Please respect the abstract deadline.**

The abstracts are collected by the co-ordinators and forwarded to the GPOH office. the GPOH secretary will submit the collected abstracts to the publishers.

- **Layout**

font size 12; font preferably Times New Roman

no block setting, left justified,

no line break within paragraph (only at end of paragraph),

no automatic or manual hyphenation,

no blank line above or below abstract text,

no underlining, please use other means of highlighting

(e.g. *italics* or spaced format).

- **Format and contents**

Number of authors: maximum 4,

Number of words: maximum 350 including title, authors, center, additional remarks,

Format

- Title (normal format, no small caps)
- blank line
- authors (first name + last name)
- center identification
- blank line
- abstract text
- blank line
- additional remarks, acknowledgement as needed)

Please edit with care
